

MAJLIS ANSARULLAH
UNITED KINGDOM

Huzoor e Aqdas (May Allah be his helper) has graciously given us the project to build and run Masroor Eye Institute in Burkina Faso, West Africa. A state-of-the-art teaching eye hospital which is being built at this time with planned completion and opening in 2020 Inshallah at a cost of over 1 million pounds. Once complete this 'sadqa jaria' will inshallah benefit the whole of West Africa providing premium eye treatments to thousands of patients every year. Please donate whole heartedly to this Project. All donors who have donated £10,000 or more will be Inshallah invited to its inauguration and their names etched in the Institute main lobby. You can donate on behalf of your parents or relatives as well.
