

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ  
In the name of Allah, the Gracious, the Merciful

# Majlis Ansarullah UK

22<sup>nd</sup> June 2020

My dear brothers,

السلام عليكم ورحمة الله وبركاته

Majlis Ansarullah UK is blessed with the unique honour of being given the responsibility to build and run Masroor Eye Institute in Burkina Faso by Huzoor e Aqdas (aba). By the Grace of Allah and your support and efforts through Charity Walk for Peace Alhamodillah this project is planned for completion in December 2020. Once complete it will be a state-of-the-art premium teaching and training health facility for all in West Africa and beyond, equipped with latest technology & teaching facilities including a 300-seat auditorium with live streaming and video link from operating theatres. Regular visiting senior ophthalmologists from around the world will inshallah supervise and teach latest treatments and this facility will benefit health care professionals and patients alike. Masroor Eye Institute aims to provide world class treatments to the needy, serving humanity regardless of religion, caste, creed or ability to pay.

This year due to COVID-19 pandemic we will not be able to hold Annual Charity Walk in the usual format due to restrictions. We will inshallah confirm alternate arrangements soon. However, this should not deter us to raise much needed funds to serve humanity. I therefore use this opportunity to formally launch fund raising appeal for Charity Walk for Peace 2020 with focus on Masroor Eye Institute & Gift of Sight. I humbly urge you personally to please donate at least £150 this year and join in this great sadqa jaria to provide Gift of Sight to the needy, playing your part. This Institute is totally funded by charitable donations from kind-hearted God-fearing people like you. Please donate anything you can as every penny counts. May Allah enable us to honourably fulfil the trust posed in us by Huzoor e Aqdas(aba) as a Majlis. Ameen

Dr Ch. Ijaz Ur Rehman  
**Sadr Majlis Ansarullah UK**
